PRODUCT GUIDE

Application:

2016 – 2019 Cadillac ATS-V

Carbon Fiber Mirror Cover (Coupe Only)

Add an exotic, race-inspired look to your vehicle without having to spend exotic money. These Carbon Fiber Mirror Covers attach directly to your vehicle's factory mirrors quickly and easily. No permanent modifications are necessary.

2016 – 2019 Cadillac ATS-V

SKU: CBM-ATSV

MSRP: \$569

Carbon Fiber Front Wind Splitter

To combat the effects of front-end lift, APR Front Wind Splitters are utilized to give extra traction and control in the front of a car. By creating a high-pressure area on top of the wind splitter, high pressure air flow is restricted to flow underneath a car. With low pressure below the car, the effect of lift is reduced, and a driver can gain from the extra traction and control.

**2016 – 2019 Cadillac ATS-V
(Non-Carbon Package)**

SKU: CW-688081

Price: \$653

Carbon Fiber Front Wind Splitter

To combat the effects of front-end lift, APR Front Wind Splitters are utilized to give extra traction and control in the front of a car. By creating a high-pressure area on top of the wind splitter, high pressure air flow is restricted to flow underneath a car. With low pressure below the car, the effect of lift is reduced, and a driver can gain from the extra traction and control.

PRODUCT GUIDE

Application:

2016 – 2019 Cadillac ATS-V

Carbon Fiber GTC-250 Adjustable Wing

All GT Series wings feature an all-new, low-drag, aerodynamic 2D designed airfoil shape. The "2D" design allows the wing to maintain a consistent level of downforce across its entire span. Computational Fluid Dynamics (CFD) analysis was performed on this wing to support validation of its aerodynamic design.

2016 – 2019 Cadillac ATS-V

SKU: AS-206121

Price: \$2,008

Carbon Fiber Hood Vent

Excessive heat can cause major and expensive damage to critical components in a car. Engine bays, radiators, brakes, transmissions, and differentials all need good air flow to help transfer away unwanted heat. APR Hood Vents help channel out excessive heat that builds up in the engine bay. Built using pre-preg. carbon fiber reinforced polymer (CFRP) composite materials for superior strength-to-weight ratio, APR Hood Vents add both function and "lightness" where it counts.

2016 – 2019 Cadillac ATS-V (OEM Replacement Part)

SKU: CF-660005

Price: \$646
